

Issue #179 Scene Art Redraw QA

Scope: replaced scene backgrounds that were flagged as top/bottom soft-band candidates, while keeping the existing sceneArt renderer and single 1024x1024 WebP contract.

Check	Result
Replaced scene assets	16 WebP backgrounds
All replaced image dimensions	1024x1024 RGB
tsc --noEmit	PASS
docLint docs/design.md	PASS
repoLint .	PASS
?selftest=data-audit on :4175	PASS, errors: 0
Scene refs / unique backgrounds	44 refs / 40 unique checked
Scene art review warnings	0 after redraw
Contact sheet / console	40 cards, 0 review flags, 0 console errors

Gate Matrix

Source	Capability	Evidence	Status
solCase#2.2	Render complete scene background without runtime blur/frost workaround	16 raster assets replaced; scene-art renderer remains generic sceneArt.src loader	Tested
solCase#7.2	Validate scene background content package assets	data-audit checks load + 1024x1024 + band-detail metrics; warnings now 0	Tested
intTest#47	Full scene background inventory and contact sheet	contact sheet surface lists 40 unique runtime backgrounds with 0 review flags	Tested

Replaced Assets

urban/garden; castle/bedroom; castle/castle-seamstress; castle/knights-room; castle/maids-room; castle/royal-cloak-room; urban/administration; urban/dress-boutique; urban/hair-salon; urban/harbor; urban/library; urban/lighthouse; urban/market; urban/shoes; urban/tailor-studio; wild/wild-path

Final Contact Sheet

Desktop full-page capture of ?selftest=visual-qa&surface;=scene-art-contact-sheet after redraw. No orange review outlines remain.
